September–November 2024

Dear Friends,

Harvest time will soon be upon us again! I recently found a helpful definition of what harvest symbolises for us as Christians:

In the Kingdom of God, the harvest represents the consummation of a process that unfolds over time. It is the result of many seasons of God's faithful cultivation of us and our world that ripens us individually and collectively into who we were created to be.

Psalm 126 reminds us that "The Lord has done great things for us, and we are filled with joy". As you reflect on the readings and choose hymns for services in this quarter, I pray that you might know yourselves in these moments as *'the result of many seasons of God's faithful cultivation.'*

God's blessings are new every morning, but God has been at work in us for as long as we've drawn breath. May this harvest time be a blessing, a comfort and an encouragement for you and those you serve amongst.

We thank you, Lord, for your care and provision in this season. This harvest may not be without difficulties, but we rejoice that "those who sow in tears will reap with songs of joy." Amen.

With every blessing, Emily.
